

Water Safety Policy (CHS 11)

Policy Rationale

The safety and supervision of children in and around water is of the highest priority. Our service has a responsibility to protect the health, safety and wellbeing of each child at all times. At Cooks Hill Preschool we are committed to providing a safe, welcoming and happy place for children to play, explore and learn.

Drowning is the leading cause of death for children aged 1-4 years in Australia. While most drowning occurs in backyard swimming pools, it is important to be aware that children can drown in as little as 6cm of water.

Strategies, Practices and Procedures

Water Safety

- Children will be supervised at all times in and around any body of water including toilets and buckets.
- Educator:Child ratios will be increased where appropriate around water at all times.
- No child will be left unsupervised at any stage around any body of water.
- A risk assessment will be conducted prior to any excursion taking place. Particular attention will be focused upon water safety where the excursion is near a body of water.
- The thermostat on the hot water system is set to a medium temperature to ensure children are not able to scald themselves when washing hands.
- Educators must use lidded cups when drinking hot drinks, and this must not be near the children.

Cooks Hill Preschool Incorporated

Water Hygiene

- Rainwater tanks will be labelled with “do not drink” signage and the children will be supervised in this area to make sure they are not accessing this water for drinking.
- Educators will discuss with the children that this water is for the purpose of play and not for consumption.
- Water for pets at the service will be changed regularly at not accessible to children unless supervised by an adult.
- Water containers of any sort will be emptied or covered when not in use.
- Drinking water containers will be emptied and cleaned daily.

The Approved Provider & Nominated Supervisor will use best endeavours to;

- Ensure the service operates in line with the Education and Care Services National Law and National Regulations 2011.
- Ensure children are adequately supervised, are not subject to inappropriate discipline, and are protected from harms and hazards.
- Provide supervision, guidance and advice to ensure adherence to the policy at all times.
- Ensure risk assessments for excursions planned near water identify a higher staff to child ratio to ensure adequate supervision.
- Ensure First Aid and CPR qualifications and requirements are met at all times.
- Provide families with community messages regarding safe water practices.

Early Childhood Educators will use best endeavours to;

- Embed water safety messages into the children’s education program.
- Ensure water troughs or containers for water play are filled to a safe level and emptied or covered securely after use.
- Ensure water troughs or containers are only filled while in attendance by an adult at all times.
- Ensure no child is left unattended at any time with any body of water.
- Empty buckets used for cleaning immediately after use.
- No cleaning buckets are to be left in areas or accessible to children.
- Explain that the rainwater tank water is non-potable. Provide clean drinking water at all times.

Cooks Hill Preschool Incorporated

24 Dawson St, Cooks Hill, NSW, 2300

ABN: 71220 753 936

email: cookshillpreschool@live.com.au ph.: 02 49264464

Families will need to;

- Reinforce water safety practice with children.

Monitoring, Evaluation and Review

This policy will be monitored to ensure compliance with legislative requirements and unless deemed necessary through the identification of practice gaps, the service will review this Policy every two years.

Families and staff are essential stakeholders in the policy review process and will be given opportunity and encouragement to be actively involved.

In accordance with R. 172 of the Education and Care Services National Regulations , the service will ensure that families of children enrolled at the service are notified at least 14 days before making any change to a policy or procedure that may have significant impact on the provision of education and care to any child enrolled at the service; a family's ability to utilise the service; the fees charged or the way in which fees are collected.
